

builder project completion advice

* denotes mandatory fields

- This form is **NOT** to be used in the case of contractual disputes or termination of contract before the practical completion of the project. In such cases please contact your Broker Distributor for assistance.
- References in this form to 'builder' & 'building work' include and apply to work undertaken by trade contractors and other building contractors such as electricians, plumbers, carpenters, swimming pool builders etc.

| Builder Details | | | | | |

| Builder Declaration | | | | | |
| I confirm that the project has reached a state of practical completion and that: The work is complete except for any omissions or defects that do not prevent the work from being reasonably capable of being used for its intended purpose; | | | | | |
| The final invoice for monies due under the building contract has been issued to the homeowner/developer (where the work was undertaken under a building contract); and | | | | | |
| I/we authorise hbcf to advise the homeowner/developer that practical completion of the project under the Home | | | | | |
| Building Act 1989 has been reached. | | | | | |
